

Biography in 100 words

Dr Bronwyn King is a social entrepreneur, movement maker, medical specialist and globally renowned humanitarian on a mission to inspire and transform organisations into purpose driven, sustainable businesses. Her engagement across the global corporate, finance, health and diplomatic sectors has provided unique insights into universal power structures – what works, what doesn't and how to sidestep 'the impossible'. Bronwyn has a compelling message that embodies the power of one to spark change for the better. She has been recognised with countless awards. Most notably, she was awarded an Order of Australia (AO) in 2019 for distinguished service to community health and named 2019 Melbourne of the Year.
